

Vault „TRESOR“

A truly extraordinary location! In the basement of the former bank building, behind the refurbished double-walled steel vault door, there are 135 sqm with an original gallery, bar counter and colour-varying light system.

Equipment available

Historical individual furniture: sofa, armchairs, small pews, small sidetables and bar stools for up to 25 persons all together · coat stands with hangers up to 100 jackets · 10 bar tables with covers (white) on additional charge

Bar counter (2.40 m) with refrigerator and coolable stainless steel drawers · sink with two basins · glass dishwasher · dishwasher · white dimmable lighting system · coloured strip lighting · 16A power current · (W-)LAN · air-conditioning · delivery possible via lifting platform · separate access: Waisenhausstraße 11b · on additional charge: Bluetooth- JBL-Partybox 1000 · Banquet tables (1,80 m x 0,76 m) · blue upholstered chairs

Special feature

Our TRESOR can only be reached by stairs. Seating with round banquet tables is not possible. At tables there is room for max. 84 people without buffet areas. Due to the small side area (cloakroom 10 sqm up to 100 jackets, side room 19 sqm with 1 x 16A power current) we recommend a maximum number of 100 guests with a casual reception character.

Separate entrance

If you are only renting the TRESOR, the entrance is located at Waisenhausstrasse 11b. There will be a TRESOR beach flag during the event.
