

Factsheet LÖWENSAAL Dresden

Löwensaal

Built in 1905, this former bank building exudes a very special atmosphere, which is ideal for your classic dinner, your modern conference, the hybrid event or an elegant get-together.

The Loewensaal was refurbished to a high standard with a large lightsail, oak parquet, arched windows on two sides of the hall and historic chandeliers. Integrated projection screens, sound technology and a mobile short distance projector provide a basis, that our partners will be happy to add, according to your needs.

Within walking distance to more than 20 hotels, to the main railway station and public transport. Free in choosing your partners.
